1.5) Please comment on aspects of this teacher's teaching you think could be improved.

- I think Chloe De-Meulenaer could try to explain concepts more concisely as we take a while to get through a few problems.
- I think she should continue teaching as she does now. She is an excellent teacher.
- Lessons are excellent, maybe some group work every now and then?

- Maybe checking the email more frequently.
- None
- perhaps a little slow at times - some classes we didn't manage to cover all the mcqs and problem set qs but that also might be a flaw of the course itself and lack of time in class
- Sometimes we dont have enough time to do the MCQs but I believe the problem is time constraints, lessons could be a little longer to be more useful.

1.6) Overall, I am satisfied with the teaching by this teacher on the course.
